ORGANIZATIONAL HISTORY

The Office of Faculty Diversity & Development (FDD) launched in January 2011 as the result of one of President Daniel K. Podolsky's strategic initiatives for UT Southwestern Medical Center. The Office promotes faculty development and collaborates with department chairs, center directors, and other academic leaders to recruit and retain faculty to UT Southwestern. In addition, it also implements strategies to increase faculty diversity, with emphasis on women and underrepresented minorities. The Office of Women's Careers was founded in April 2012 as a division of FDD.
