AccessPharmacy – includes textbooks, quick reference, drugs, multimedia, cases, study materials, NAPLEX® Review and patient education.

 **Board Vitals** – Helps practitioners prepare for licensing and certification exams.

 **CINAHL Complete** - Indexes over 5,000 journals, health care books, nursing dissertations, select conference proceedings, and standards of practice.

 **ClinicalKey** – Covers over 30 medical specialties and includes full text textbooks, full text journals, clinical procedure videos, drug information, point of care decision support, patient handouts and CME.

 **ClinicalKey for Nursing** – Evidence-based nursing monographs, books, journals, practice guidelines, CNEs, and core measures with nursing recommendations. Links to Clinical Skills.

Cochrane Library – Evidence-based systematic reviews, useful for clinical decision making.

eAnatomy – 6,700+ anatomic structures and 670,000+ translated medical labels. Available on web, iOS, & Android.

Embase (Ovid) – Contains over 31 million bibliographic records in peer-reviewed journals, including 2,900 unique titles not found in MEDLINE.

EndNote – Campus-supported citation management software organizes references and creates bibliographies accurately and efficiently.

Influent – An expertise profiling and research tool that helps users collaborate with researchers with shared interests and enables UT Southwestern researchers to demonstrate their activities to the global research community.

 **MEDLINE (via Ovid MEDLINE and PubMed)** – Major database of biomedical journal article citations. PubMed4Hh App is available for mobile devices.

 **Micromedex** – Comprehensive drug, toxicology, and patient education information. Includes NeoFax/Pediatrics, which provides evidence-based drug information for neonatal & pediatric populations. UT Southwestern Gold Standard.

Pivot Funding Opportunities – Search databases to find funding opportunities and collaborate with colleagues.

 **Pronunciator** - Learn to speak, read, and write in more than 140 languages. ESL courses taught in over 120 home languages.

PsycINFO (Ovid) – Covers literature since 1987 in Pivotpsychology and related disciplines.

Scopus – Largest abstract and citation database for research literature and peer-reviewed web sources in the physical, health, life, and social sciences. Covers journals from 1966 to the present.

 **STAT!Ref** - Intuitive full-text resource that enables users to cross-search and customize evidence-based and authoritative healthcare references.

 **UpToDate** – Concise recommendations for diagnosis, management and therapy. Some entries link directly to VisualDx. Users can earn CME credits.

 **VisualDx** – Image-based differential diagnosis tool that is designed to help quickly identify diseases or conditions at the point of care. Users can earn CME credits.

Web of Science – Covers more than 12,000 high-impact journals in the sciences, social sciences, and arts and humanities, as well as international proceedings coverage for over 150,000 conferences.

Library Guides

Evidence-Based Practice (EBP) Guide – Multi-resource directory of the Library's best EBP resources.

Grants and Funding Guide – List of resources to support researchers and faculty to locate funding opportunities, develop protocols, and write grants.

Mobile Resources Guide – List of UT Southwestern subscribed and selected other resources available on mobile devices.

Nursing Guide – Multi-resource directory of the Library's subscribed databases, ebooks, journals, and internet resources, including **free CNEs**.

Responsible Literature Searching Guide – Provides an introduction and/or review of the literature search process.

Getting to Full-Text Articles and Journals

Start at the Library's website to activate "Get Full Text" & "Find It!" icon links within databases to access full text, Interlibrary Loan (ILLiad), and Ejournals AtoZ.

Search **Ejournals AtoZ** to access current Library online journals.

Finding Ebooks and Print Resources

Search the **Library Catalog** to access ebooks. Register for an Interlibrary Loan (ILLiad) account to request any items we do not own or are located at the UT/TAMU Systems Joint Library Facility (JLF).

Access issue with an Ejournal or Ebook?
Use **Ask Us form**.
