“Where Can I Access My Library Resources?”

Library Resources Pocket Guide

CLINICAL FACULTY – FELLOWS – RESIDENTS

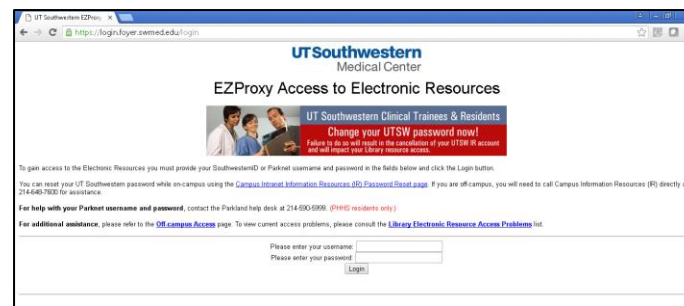

South Campus Library (E2)

24/7 Badge Access

Use the **Library reservation system** to reserve your favorite study spot or specialty software

Off Campus Access via EZProxy

Use your UTSW username and password to login at the EZProxy page, when prompted.

Contact Us

Ask Us Form
on **Library's Website**
library.utsouthwestern.edu
214-648-2001

You must login to your UT Southwestern EZProxy account **every 90 days** to maintain uninterrupted access to Library resources including full text. Failure to do so may cancel your account and require departmental intervention to reinstate it.

Library Services Include:

- Academic Poster Support
- EndNote Support
- Interlibrary Loan
- Literature Searches
- Online Tutorials
- Training – Individual & Group

Key Library Resources App (Android & iOS)

 **AccessMedicine** – Includes textbooks (*Harrison's Principles of Internal Medicine and Current Diagnosis & Treatment*), multimedia library, differential diagnosis tool, reference tools, Lange's self-assessments, patient education, images, drug database, and cases.

AccessObGyn – includes textbooks, quick reference, drugs, multimedia, cases and review questions.

AccessPharmacy – includes textbooks, quick reference, drugs, multimedia, cases, study materials, NAPLEX® Review and patient education.

 **Board Vitals** – Helps practitioners prepare for licensing and certification exams.

 **ClinicalKey** – Covers over 30 medical specialties and includes full text textbooks, full text journals, clinical procedure videos, drug information, point of care decision support, patient handouts and CME.

Cochrane Library – Evidence-based systematic reviews, useful for clinical decision making.

Embase (Ovid) – Contains over 31 million bibliographic records in peer-reviewed journals, including 2,900 unique titles not found in MEDLINE.

EndNote – Campus-supported citation management software organizes references and creates bibliographies accurately and efficiently.

Funding Institutional - Pre-award stage funding process support with access to current funding opportunities and award information.

Influent – An expertise profiling and research tool that helps users collaborate with researchers with shared interests and enables UT Southwestern researchers to demonstrate their activities to the global research community.

 **MEDLINE (via Ovid MEDLINE and PubMed)** – Major database of biomedical journal article citations. PubMed4Hh App is available for mobile devices.

 **Micromedex** – Comprehensive drug, toxicology, and patient education information. Includes NeoFax/Pediatrics, which provides evidence-based drug information for neonatal & pediatric populations. UT Southwestern Gold Standard.

Pivot Funding Opportunities – Search databases to find funding opportunities and collaborate with colleagues.

 **Pronunciator** - Learn to speak, read, and write in more than 140 languages. ESL courses taught in over 120 home languages.

PsycINFO (Ovid) – Covers literature since 1987 in psychology and related disciplines.

Scopus – Largest abstract and citation database for research literature and peer-reviewed web sources in the physical, health, life, and social sciences. Covers journals from 1966 to the present.

 **STAT!Ref** - Intuitive full-text resource that enables users to cross-search and customize evidence-based and authoritative healthcare references.

 **UpToDate** – Concise recommendations for diagnosis, management and therapy. Some entries link directly to

USMLE First Aid eBook Collection - More than 20 USMLE study aids published by McGraw-Hill with First Aid series.

 **VisualDx** – Image-based differential diagnosis tool that is designed to help quickly identify diseases or conditions at the point of care. Users can earn CME credits.

Web of Science – Covers more than 12,000 high-impact journals in the sciences, social sciences, and arts and humanities, as well as international proceedings coverage for over 150,000 conferences.

Library Subject Guides

Clinical Reference Guide – Multi-resource directory of the Library's clinical/patient care resources.

Evidence-Based Practice (EBP) Guide – Multi-resource directory of the Library's best EBP resources.

Grant Resources Guide – List of resources to support researchers and faculty to locate funding opportunities, develop protocols, and write grants.

Mobile Resources Guide – List of UT Southwestern subscribed and selected other resources available on mobile devices.

Getting to Full-Text Articles and Journals

Start at the Library's website to activate "Get Full Text" & "Find It!" icon links within databases to access full text, Interlibrary Loan (ILLiad), and Ejournals AtoZ.

Search **Ejournals AtoZ** to access current Library online journals.

Finding Ebooks and Print Resources

Search the **Library Catalog** to access ebooks. Register for an Interlibrary Loan (ILLiad) account to request any items we do not own or are located at the UT/TAMU Systems Joint Library Facility (JLF).

Access issue with an Ejournal or Ebook?
Use **Ask Us form**.
