You must login to your UT Southwestern
EZProxy account **every 90 days** to maintain
uninterrupted access to Library resources
including full text. Failure to do so may cancel
your account and require departmental
reinstatement.

Key Library Resources App (Android & iOS)

AccessAPN - includes textbooks, cases and review questions.

 **Board Vitals** – Helps practitioners prepare for licensing and certification exams.

 **CINAHL Complete** - Indexes over 5,000 journals, health care books, nursing dissertations, select conference proceedings, and standards of practice.

 **ClinicalKey for Nursing** – Evidence-based nursing monographs, books, journals, practice guidelines, CNEs, and core measures with nursing recommendations. Links to Clinical Skills.

Clinical Skills – Evidence-based support at point of care. Over 1,300 evidence-based skills and procedures with competency management functionality. Links to ClinicalKey for Nursing.

Cochrane Library – Evidence-based systematic reviews, useful for clinical decision making.

EndNote – Campus-supported citation management software organizes references and creates bibliographies accurately and efficiently.

Funding Institutional - Pre-award stage funding process support with access to current funding opportunities and award information.

 **Health Source: Nursing/Academic Edition** – Provides nearly 550 scholarly full-text journals focusing on medical disciplines, nursing and allied health.

Influent – An expertise profiling and research tool that helps users collaborate with researchers with shared interests and enables UT Southwestern researchers to demonstrate their activities to the global research community.

 **MEDLINE (via Ovid MEDLINE and PubMed)** – Major database of biomedical journal article citations. PubMed4Hh App is available for mobile devices.

 **Micromedex** – Comprehensive drug, toxicology, and patient education information. Includes NeoFax/Pediatrics, which provides evidence-based drug information for neonatal & pediatric populations. UT Southwestern Gold Standard.

Nursing Electronic Books – Search the Library Catalog or link to selected books including **Evidence-Based Practice in Action**.

Nursing Journals – Search the Library Catalog for electronic or print journals.

Pivot Funding Opportunities – Search databases to find funding opportunities and collaborate with colleagues.

 **Pronunciator** - Learn to speak, read, and write in more than 140 languages. ESL courses taught in over 120 home languages.

PsycINFO (Ovid) – Covers literature since 1987 in

psychology and related disciplines.

Scopus – Largest abstract and citation database for research literature and peer-reviewed web sources in the physical, health, life, and social sciences. Covers journals from 1966 to the present.

 **STAT!Ref** - Intuitive full-text resource that enables users to cross-search and customize evidence-based and authoritative healthcare references.

 **UpToDate** – Concise recommendations for diagnosis, management and therapy. Some entries link directly to VisualDx. Users can earn CME credits.

 **VisualDx** – Image-based differential diagnosis tool that is designed to help quickly identify diseases or conditions at the point of care. Users can earn CME credits.

Web of Science – Covers more than 12,000 high-impact journals in the sciences, social sciences, and arts and humanities, as well as international proceedings coverage for over 150,000 conferences.

Library Guides

Evidence-Based Practice (EBP) Guide – Multi-resource directory of the Library's best EBP resources.

Grant & Funding Guide – List of resources to support researchers and faculty to locate funding opportunities, develop protocols, and write grants.

Mobile Resources Guide – List of UT Southwestern subscribed and selected other resources available on mobile devices.

Nursing Guide – Multi-resource directory of the Library's subscribed databases, ebooks, journals, and internet resources, including **free CNEs**.

Responsible Literature Searching Guide – Provides an introduction and/or review of the literature search process.

Getting to Full-Text Articles and Journals

Start at the Library's website to activate "Get Full Text" & "Find It!" icon links within databases to access full text, Interlibrary Loan (ILLiad), and Ejournals AtoZ.

Search **Ejournals AtoZ** to access current Library online journals.

Finding Ebooks and Print Resources

Search the **Library Catalog** to access ebooks. Register for an Interlibrary Loan (ILLiad) account to request any items we do not own or are located at the UT/TAMU Systems Joint Library Facility (JLF).

Access issue with an Ejournal or Ebook?

Use **Ask Us form**.
