Key Library Resources

- **CINAHL Complete** - Indexes over 5,000 journals, health care books, nursing dissertations, select conference proceedings, and standards of practice. Over 1,600 full-text journals, evidence-based care sheets, quick lessons, CE modules, and research instruments.

- **ClinicalKey for Nursing** – Evidence-based nursing monographs, books, journals, practice guidelines, CNEs, and core measures with nursing recommendations. Links to Clinical Skills.

- **Clinical Skills** – Evidence-based support at point of care. Over 1,300 evidence-based skills and procedures with competency management functionality. Links to ClinicalKey for Nursing.

- **Cochrane Library** - Evidence-based systematic reviews, useful for clinical decision making.

- **EndNote** – Campus-supported citation management software organizes references and creates bibliographies accurately and efficiently. Windows and Mac versions.

- **Health Source: Nursing/Academic Edition** – Provides nearly 550 scholarly full-text journals focusing on many medical disciplines, with strong coverage in nursing and allied health. Topics include pediatric nursing, critical care, mental health, nursing management, and medical law.

- **MEDLINE (via Ovid MEDLINE and PubMed)** – Major database of biomedical journal article citations. PubMed4Hh App is available for mobile devices.

- **Micromedex** - Comprehensive drug, toxicology, and patient education information. NeoFax/Pediatrics, evidence-based drug information for the neonatal and pediatric populations. UT Southwestern Gold Standard.

- **PsycINFO (Ovid)** - Covers literature since 1987 in psychology and related disciplines.

- **Scopus** - Largest abstract and citation database of physical sciences, health sciences, life sciences, and social sciences and research literature and peer-reviewed quality web sources. Covers journals from 1966 to the present.

- **STAT!Ref** - Intuitive full-text resource that enables users to cross-search and customize evidence-based and authoritative healthcare references. Includes BoardVitals, a resource to review for NCLEX-RN.

- **UpToDate** - Concise recommendations for diagnosis, management and therapy. Some entries link directly to VisualDx.

- **VisualDx** - Image-based differential diagnosis tool that is designed to help quickly identify diseases or conditions at the point of care.

- **Web of Science** - Covers more than 12,000 high-impact journals in the sciences, social sciences, and arts and humanities, international proceedings coverage for over 150,000 conferences.

Library Subject Portals

- **Clinical Reference Portal** – Multi-resource directory of the Library’s clinical/patient care resources which includes online journals and clinical textbooks, point-of-care and biomedical literature databases, and drugs and laboratory reference tools, patient education and more.

- **Evidence-Based Practice (EBP) Portal** – Multi-resource directory of the Library’s best EBM resources, organized in the EBP Pyramid’s three categories: filtered/pre-appraised resources, unfiltered/unappraised resources and background information resources.

- **Grant Resources Portal** - Librarians assist researchers and faculty to locate funding opportunities, develop protocols and write grants.

- **Mobile Resources Portal** - List of UT Southwestern subscribed resources available on mobile devices for iOS and Android platforms.

- **Nursing Portal** – Multi-resource directory of the Library’s subscribed databases, ebooks, journals, and internet resources.

Getting to Full Text Articles and Journals

Start at the Library’s website to activate “Get Full Text” & “Find It!” icon links within databases to access full text, Interlibrary Loan (ILLiad), and Ejournals AtoZ.

Search Ejournals AtoZ to access current Library online journals.

Finding Ebooks and Print Resources

Search the Library Catalog to access ebooks. Register for an Interlibrary Loan (ILLiad) account to request any items we do not own or are located at the Texas Systems Joint Library Facility (JLF).

Access issue with an Ejournal or Ebook?

Use Live Chat Monday through Friday, 10 a.m to 4 p.m. or Ask Us form.
