Biographical/Historical: Charles M. Ginsburg was born in 1943 in Omaha, Nebraska. He received

his M.D. from the University of Nebraska College of Medicine College of Medicine in 1970 and completed his internship and residency in Pediatrics at Children's Health in Dallas. He then completed his fellowship in Pediatrics at UT Southwestern Medical Center in 1976. Throughout his career, Dr. Ginsburg's interests have been in pediatric infectious diseases. He received the Alpha Omega Alpha Award for Teaching Excellence six times between 1979 and 1996. He served as the Chairman of the Department of Pediatrics as well as Interim Dean of the UT Southwestern Medical School. He is currently the Vice Provost and Senior Associate Dean for Education, a professor in the Department of Pediatrics, and holds the Marilyn R. Corrigan Distinguished Chair in Pediatric Research.

Scope and Contents: This collection contains photographic slides that document examples of various pediatric and adult diseases, injuries, and illnesses captured throughout Dr. Charles Ginsburg's career. There are also lecture slides from various presentations. Included are indices that correlate the slides with the names of the diseases and illnesses.
